

Hosted by: The Haw River Assembly

Warm greetings from the Haw River Assembly! We are excited to announce that we are bringing the nationally recognized Wild & Scenic Film Festival to our area! On Thursday, September 6th, we will fill the Carrboro Century Center for a night of inspiring environmental films, guest speakers, and local food and drink!

Our goal is to use the film screening to inspire activism and to increase community understanding of environmental issues that our local community and our planet are facing. We will combine the films with small breaks for local guest speakers to share their work and knowledge with the community.

This event is also an important fundraiser and outreach event for the Haw River Assembly, and we would like to invite you to sponsor the event and support our efforts. To learn more about the festival visit www.wildandscenicfilmfestival.org and to learn more about our work, visit www.hawriver.org.

We gladly accept in-kind donations such as beverages, appetizers, and raffle prizes as well as cash sponsorship.
